

## FAB 2022 – RULES & REGULATIONS

The sixth edition of the Festival of Animation Berlin (short: FAB), takes place from September 30th – October 2nd 2022 offering film screenings and a colorful framework programme. The second edition of “FAB Dimensional” starts one week before the festival from September 26th - October 3rd 2021.

It is our wish to organize a public festival with real encounters and a lively exchange. However, if we are still much affected by restrictions due to the Corona pandemic when we hold the festival in early October 2021, we reserve the right to have part of the festival or the entire festival take place online. In that case, our online screenings will only be made available via our website as an individual livestream at a specific time - similar to a cinema screening.

### PARTICIPATION TERMS

Any animated film including combinations of live action and animation completed after May 1st 2019 may participate. Only completed films qualify for the selection. For participation in the short film competition categories, productions up to a running length of 15 minutes are admitted.

The following competition categories are open for submission:

- International Animation Film: Animated shorts by international artists
- German Animation Film: Animated shorts made by animators based in Germany
- New Talents: Animated shorts made by students
- Animated Commissions: Animated shorts with commercial background
- Pink Panda: Animated shorts suitable for children and teens. TV series for children can be submitted to the children's film competition. Please do not submit more than two episodes per series.

Any borderline questions or the assignment to other categories that may arise shall be decided by festival management. Submission deadline is May 15th 2022 (date of receipt, CET).

Other film formats are not admitted for the festival screening. If the film contains dialogue, the screening copy must have English subtitles. All shipping costs to FAB as well as any charges peripheral to shipping, i.e. customs duty and/or clearance etc., shall be borne by the sender. Preview copies as well as screening copies from non-EU countries must be labeled with the following note: “for cultural purposes only, no commercial value” and be accompanied by a proforma invoice.
